

## CALL FOR PAPERS

International Journal of Medical and Pharma Research (IJMPR) is a bi-annual, interdisciplinary journal. IJMPR focuses on integrating theory, research and practice in the area of medical and pharma sciences. It aspires to bring doctors, academicians, researchers, medical and pharma community, entrepreneurs and development practitioners together.

Global in scope and authorship, International Journal of Medical and Pharma Research (IJMPR) bridges the gap across medical and pharma communities vis a vis its multiple disciplines with a view of sharing information and to provide a platform for debate with the widest possible audience, doctors, researchers, academicians, medical as well as pharma experts. The IJMSR has a particular interest in trans-disciplinary and interdisciplinary approaches focusing on the issues relevant in contemporary medical world. It serves as a forum for review, reflection and discussion informed by the results of recent and ongoing research.

The Journal accepts original empirical Research Papers, Articles, Research Letters, Book Reviews, Conceptual Notes, Executive Summary and Report. Contributions rooted in the Indian or International context and reflecting the ethos of Medical and Pharma Sciences are encouraged.
